avenue southeast: 13th street from B western part of the state, shortly after street to D street southeast; Massachusetts avenue from 14th street to

Northeast-A street from North Carolina avenue to 15th street northeast; 15th street from East Capitol street

Soon to Begin on Estimates.

The Commissioners, it is expected, ill begin work on the preparation of the estimates next week. They already have inspected the District's various charitable, correctional and penal institutions and upon the return of Comnissioner Newman, who is now spending his vacation in the Catskill mountains, they will make an inspection of streets which various associations have engaged in the budget-framing task until well after the 1st of October. The estimates are required by law to be transmitted to the Secretary of the Treasury by October 15.

Damage by the Storm.

TAMPA, Fla., September 4.-Reports to North Carolina avenue northeast; 14th street from B to C street north-east; East Capitol street between 15th and 16th streets.

TAMPA, Fig., September 4.—Reports received here today tell of damage by high winds and water along the Florida coast north of Tampa. One-quarter of a mile of the south end of Sand Key, an island opposite Clearwater, was washed away, the water carrying with it Anderson's fish camp, with all houses and equipment. No lives were lost, and equipment. No lives were lost, but the property loss was considerable. A launch with six young Florida people was found at Anciete lighthouse, where it had taken refuge from the gale late yesterday.

The West Indian hurricane which swept across the Gulf of Mexico and struck inland yesterday on the western coast of Florida centered last night southwest of Atlanta. Indications were that it would break up immedi-

recommended for improvement. It is southwest of Atlanta. Indications were that it would break up immediately in the hudget framing task Georgia and eastern Tennessee.

Weather bureau officials last night expressed the view that some damage had been caused by the gale along the gulf between Pensacola and Tampa.

Communication Cut Off.

The storm entered Florida near Apalachicola, but that point, a regular weather station, was out of telegraph communication and no report was available from that vicinity. Heavy rains accompanied the high winds in Georgia and Alabama. The gulf now clear of severe storm.

The Bermuda disturbance made little headway yesterday and last night still was centered a little west of the island with renewed indications of later heading to the east or northeast

MAY FIX RESALE PRICES.

Patentee-Manufacturer of Phonograph Records Wins Court Decision. CHICAGO, September 4 .- A patentee cHICAGO. September 4.—A patenteemanufacturer, according to an important decision made by Judge Geiger in
the United States district court here
yesterday, has the right to fix the resale price of a patented article. The case will be taken to the Supremo Court, it is said, as there has been considerable difference of opinion as to the exact meaning of decisions made previously in similar cases.

In the present case a phonograph company sold records to a Chicago retail store on condition that a certain retail price would be maintained. The store is said to have disregarded the bargain and sold the records at prices less than that set by the patenteemanufacturer.

WAS PUNISHED; HANGS SELF. Nine-Year-Old Boy in Hampton, Va.

Commits Suicide. NEWPORT NEWS, Va., September 4 -Mrs. J. W. Massey of Hampton, Va., this morning sent her nine-year-old engineer, son, Nivins, up to the attle of their trackemar home, to remain there until notified that he could come down, as punishment for some minor form of miscon duct. An hour and a half later the lad Was Four Times a Representative was found hanging by a rope from the banister rail of the steps leading to Mrs. Agnes Townsend Asserts She banister rail of the steps leading to the attic.

The boy had adjusted the rope about his neck and jumped over, death being due to strangulation. The body was still warm when discovered, but all efforts to revive him failed.

It was hours before the purchasers of silver nails, which cost 5 marks each, could even get to the statue. It probably will take days and even weeks before the iron nails already purchased at 1 mark apiece can be driven. The total amount realized by the advance sale is expected to run into hundreds of thousands of marks.

Thousands on Scene Early.

Although the dedication ceremony ras set for 11:20 o'clock, thousands which originated in Austria, and which began to arrive between 8 and 9 and has been adopted by many German every available space was jammed with cities. The statue, which weighs many people long before the princess arrived. tons, represents the field marshal leanpeople long before the princess arrived.
The scene was one of brilliance, only surpassed since the outbreak of the war by the Bismarck centennial celebration at almost the same spot.
After the princess had been greeted by Dr. von Bethmann-Hollweg, the German imperial chancellor, Vice tons, represents the field marshal leaning on his sword. It stands on a dais at the head of and facing the Avenue of Victory. It was sculptured by Georg Marschall.
The nailing process will continue until the soft wood is completely sheathed in gold, silver and iron.

GERMAN STILL GERMAN AFTER TEN YEARS AWAY

Sayville, N. Y .- The Overseas News Agen Agency says today: "In an article in the Berliner Tageblatt Prof. Seligson says that under recent decisions of the courts Germans living in foreign countries do not forfeit German citizenship aften ten years, even though they have not registered at a consular office, provided they have visited Germany during that time. The ten-year period begins anew from the time of a visit to Germany, even though citizenside in another country has been acquired. Only in the case of the United States does the acquisition of citizenship involve loss of German citizenship."
